Connect FLORIDA

In Partnership With **FSAE**

Orlando · October 25-27, 2016
Rosen Shingle Creek

Connect Florida in partnership with FSAE, is a hosted-planner, appointment-only, reverse-style trade show. The event connects the most active Florida Association planners, suppliers and experts in the industry for three days of general sessions, workshops, pre-set appointments and networking. The appointment-only trade show is the business marketplace, where RFPs are placed, dates are secured and relationships are developed for future business. The focus on education at Connect Florida allows you to brush up on your skills, learn about trending topics, get business advice from speakers and enjoy networking with other industry professionals.

How It Works

- **Meet Qualified Planners** who require what your destination or company offers.
- **Work with Planners** who are actively sourcing business.
- **Network** with planners and suppliers like you in a social atmosphere.
- **Learn From Experts** while attending exciting and topical education sessions.
- **Get motivated** by interesting and relevant keynote speakers.
- **Stay on Track** by following a streamlined appointment schedule.

“We are excited to partner with Connect, one of the leaders in the hospitality industry, to bring Connect Florida to our state. FSAE is pleased to expand the educational and peer networking opportunities for association meeting planners in Florida and with Connect at the helm, I know it will be a first class program.”

- **Frank Rudd**
President & CEO, FSAE

“What can I say about my experience? Refreshing, professional and motivating. Connect produces one of the most efficient trade shows I’ve attended: well-planned, choreographed and executed. The customer service, for both planners and suppliers, is unparalleled. They have raised the bar for the industry!”
